

FUTSAL APP

Title : “Go Futsal”

“Go Futsal” is a mobile application that provides a solution to the current issue of physical booking of futsal which involves going to the futsal to book a slot. Moreover, often the slots are booked which creates a hassle for one to look for another one thus consumes a lot of time. “Go Futsal” can provide all the information regarding any futsal within any location hence giving a quick booking service to all the users also a manageable system for the futsal owners or managers to work with easily.

“Go Futsal” is a platform for football enthusiasts. Football community is able to make their own profile for showing their skills in this field and connect to a vast community. It is a user-friendly platform for both ends.
